Institute of Excellence in Science, Technology & Management

## ADMISSION BROCHURE 2025–26

Admission Year 2025–26

### About Greenwood University

Greenwood University, established in 1987, is a premier autonomous institution affiliated with the State Technical University and approved by AICTE & UGC. Spread across a 120-acre lush green campus, the university offers undergraduate, postgraduate, and doctoral programmes in Engineering, Management, Sciences, and Humanities. With over 12,000 students and 650 faculty members, Greenwood is ranked among the Top 50 universities in India (NIRF 2024).

### Vision & Mission

**Vision:** To be a globally recognized center of excellence that nurtures innovation, integrity, and inclusive growth.

**Mission:** To provide quality education through cutting-edge curriculum, industry partnerships, research initiatives, and a holistic development environment.

### Programmes Offered

| Programme                           | Duration  | Intake        | Eligibility                      |
|-------------------------------------|-----------|---------------|----------------------------------|
| B.Tech (CSE / IT / ECE / ME / CE)   | 4 Years   | 60 per branch | 10+2 PCM, Min 60%                |
| B.Tech (AI & ML / Data Science)     | 4 Years   | 60 per branch | 10+2 PCM, Min 65%                |
| BBA                                 | 3 Years   | 120           | 10+2 Any Stream, Min 55%         |
| BCA                                 | 3 Years   | 60            | 10+2 with Maths, Min 55%         |
| B.Sc (Physics / Chemistry / Maths)  | 3 Years   | 60 per branch | 10+2 PCM, Min 50%                |
| MBA                                 | 2 Years   | 120           | Bachelor's Degree + CAT/MAT/CMAT |
| M.Tech (CSE / VLSI / Power Systems) | 2 Years   | 30 per branch | B.Tech / BE, Min 60% + GATE      |
| MCA                                 | 2 Years   | 60            | BCA/B.Sc CS, Min 55%             |
| Ph.D (All Departments)              | 3–5 Years | 10 per dept   | Master's Degree, UGC-NET/GATE    |

### Key Highlights

- NBA & NAAC 'A++' Accredited Institution

- 350+ MoUs with industry leaders: TCS, Infosys, Wipro, Google, Microsoft, IBM
- 100% placement assistance with average CTC of ₹7.2 LPA (2024 batch)
- Highest package: ₹42 LPA (Google, CSE 2024)
- State-of-the-art labs: AI Lab, IoT Lab, Robotics Lab, Green Energy Lab
- Central Library with 1,20,000+ books and digital access to IEEE, Springer, Elsevier
- Sports complex, Olympic-size swimming pool, indoor stadiums
- On-campus hostel for 5,000+ students (boys & girls separately)
- 24×7 Wi-Fi campus with 10 Gbps internet connectivity
- Active Student Council, 40+ clubs and cultural societies

## Admission Process

**Step 1 – Register Online:** Visit [admissions.greenwooduniversity.edu.in](https://admissions.greenwooduniversity.edu.in) and complete the registration form. Upload scanned copies of required documents.

**Step 2 – Entrance Exam / Merit:** B.Tech admissions through JEE Main / State CET. Management programmes via CAT / MAT / CMAT / university entrance. Lateral entry based on diploma merit.

**Step 3 – Counselling:** Shortlisted candidates attend counselling sessions (in-person or virtual). Seat allotment based on rank, category, and preference.

**Step 4 – Document Verification:** Original documents verified at the admissions office or via video KYC for outstation students.

**Step 5 – Fee Payment & Enrollment:** Pay the admission fee online/offline within 48 hours of seat acceptance. Collect the enrollment kit from the office.

## Important Dates 2025–26

| Event                                | Date              |
|--------------------------------------|-------------------|
| Online Application Opens             | 01 March 2025     |
| Last Date for Application            | 15 June 2025      |
| Entrance Exam (GU-CET)               | 25 June 2025      |
| Result Declaration                   | 05 July 2025      |
| Counselling Round 1                  | 10–15 July 2025   |
| Counselling Round 2                  | 20–25 July 2025   |
| Spot Admissions (if seats available) | 01 August 2025    |
| Commencement of Classes              | 01 September 2025 |

## HOSTEL RULES & REGULATIONS

Valid for Academic Year 2025–26

### 1. Hostel Facilities Overview

Greenwood University maintains separate hostel complexes for male and female students. The Boys' Hostel (Blocks A–E) accommodates 3,000 students, and the Girls' Hostel (Blocks F–H) accommodates 2,000 students. Each block has a Resident Warden, a Deputy Warden, and a Student Representative.

24×7 Security with CCTV surveillance

Common Room with TV & indoor games

High-speed Wi-Fi (50 Mbps per room)

Gymnasium and yoga room

Laundry facility (coin-operated)

Medical room with visiting doctor

RO drinking water on every floor

Study hall open till 12 midnight

Canteen / tuck shop (7 AM – 10 PM)

Power backup (inverter + DG set)

### 2. Entry / Exit Timings

| Day                          | Boys' Hostel                 | Girls' Hostel                |
|------------------------------|------------------------------|------------------------------|
| Monday – Friday              | Gate closes: 10:00 PM        | Gate closes: 9:00 PM         |
| Saturday                     | Gate closes: 10:30 PM        | Gate closes: 9:30 PM         |
| Sunday & Holidays            | Gate closes: 10:00 PM        | Gate closes: 9:00 PM         |
| Night Out (prior permission) | Allowed up to 2 nights/month | Allowed up to 2 nights/month |

### 3. Disciplinary Rules

**3.1 Ragging:** Ragging in any form — physical, verbal, or cyber — is strictly prohibited under the UGC Anti-Ragging Regulations 2009 and IPC provisions. Violation leads to immediate expulsion and police complaint.

**3.2 Alcohol & Drugs:** Possession or consumption of alcohol, tobacco, or narcotic substances inside or within 200 m of the hostel premises is a punishable offence leading to immediate expulsion.

**3.3 Visitors:** Visitors are allowed only in the common visiting area between 4 PM and 7 PM on weekdays and 10 AM–7 PM on weekends. No visitor is permitted inside residential rooms.

**3.4 Noise & Silence Hours:** Silence hours are enforced between 11 PM and 6 AM. Use of loudspeakers, musical instruments, or loud music is prohibited during these hours.

**3.5 Electrical Appliances:** Personal heaters, irons, electric kettles, and cooking appliances are not permitted in rooms. Laptops, mobile chargers, and desk lamps are allowed.

**3.6 Vehicle Parking:** Two-wheelers of hostellers must be registered with the security office. Four-wheelers are not permitted on campus for first-year students.

**3.7 Room Damage:** Residents are responsible for any damage to hostel property. Repair costs will be deducted from the security deposit.

## 4. Leave & Outing Procedure

Students must fill the Leave/Outing form available at the hostel office or through the student portal. For outings within the city, inform the warden at least 2 hours prior. For overnight stays, parents must submit a written request (email to warden is acceptable with prior registration of parent email). Medical leave requires a doctor's certificate.

## 5. Mess Rules

- Meal timings must be strictly observed: Breakfast 7:00–9:00 AM, Lunch 12:00–2:00 PM, Snacks 5:00–6:00 PM, Dinner 7:30–9:30 PM.
- Students must carry their identity card to avail mess services. No card = no meal (card will not be lent to others).
- Wastage of food is strictly discouraged. Take only what you can consume.
- Mess fee is non-refundable for individual days. Prolonged absence (>7 days with prior notice) may be considered for a proportionate rebate.
- Complaints about food quality must be logged in the Mess Feedback Register or reported to the Mess Committee.
- Consumption of mess food in rooms is not permitted (applicable in areas without COVID protocols).

## 6. Contact – Hostel Administration

| Role                 | Name                | Contact                           |
|----------------------|---------------------|-----------------------------------|
| Chief Warden (Boys)  | Dr. Ramesh Kulkarni | +91-98XXX-XXXXXX                  |
| Chief Warden (Girls) | Dr. Priya Nair      | +91-97XXX-XXXXXX                  |
| Hostel Office        | —                   | hostel@greenwooduniversity.edu.in |
| Emergency (24×7)     | Security Desk       | Ext: 100 / +91-96XXX-XXXXXX       |

## FREQUENTLY ASKED QUESTIONS (FAQ)

Admissions, Academics & Campus Life

### A. Admissions & Eligibility

#### Q1. What is the minimum percentage required for B.Tech admission?

**Ans:** For B.Tech programmes (CSE/IT/ECE/ME/CE), candidates need a minimum of 60% aggregate in 10+2 with Physics, Chemistry, and Mathematics from a recognized board. For AI & ML and Data Science branches, the minimum is 65%. SC/ST candidates get a 5% relaxation in all cases.

#### Q2. Is JEE Main mandatory for B.Tech admission?

**Ans:** JEE Main score is preferred and gives a higher priority during counselling. However, students who have appeared in the State Common Entrance Test (CET) are also eligible. The university also conducts its own entrance test, GU-CET, for candidates who haven't appeared in JEE/State CET.

#### Q3. Can I apply for lateral entry to B.Tech (2nd year)?

**Ans:** Yes. Diploma holders (3-year polytechnic diploma in relevant engineering) with a minimum of 60% marks can apply for direct admission to the second year of B.Tech. Lateral entry seats are 10% of the sanctioned intake in each branch. Apply separately through the lateral entry portal.

#### Q4. What documents are required at the time of admission?

**Ans:** 10th Mark Sheet & Certificate, 12th Mark Sheet & Certificate, Transfer Certificate, Character Certificate, Domicile Certificate, Caste Certificate (if applicable), Income Certificate (if applying for scholarship), JEE/CET Scorecard, 8 passport-size photographs, Aadhaar Card (original + 2 copies), Medical Fitness Certificate.

#### Q5. Is there an age limit for admission?

**Ans:** For B.Tech, the candidate must have been born on or before 01 October 2007 (i.e., minimum 17 years at the time of admission). There is no upper age limit for postgraduate programmes.

### B. Fee & Payment

#### Q1. Are there any hidden charges not mentioned in the fee structure?

**Ans:** No hidden charges. All mandatory fees are listed in the official fee structure document. Optional charges include hostel, mess, sports locker, transport, and alumni membership. A detailed fee breakup is provided at the time of admission.

#### Q2. Can I pay fees in instalments?

**Ans:** Yes. Annual fees are payable in two instalments: 60% by 31 August and the remaining 40% by 28 February. A late fine of ₹100/day applies after the due date. EMI options via partner banks (SBI, HDFC) are also available.

#### Q3. Is the registration fee refundable if I don't take admission?

**Ans:** The ₹5,000 registration fee is non-refundable. However, if you have paid the semester fee and withdraw before the last date notified by the university, a refund (after deducting ₹1,000 processing charge) is possible as per UGC refund policy (2018).

**Q4. Are there education loans available?**

**Ans:** Yes. The university has tie-ups with SBI, Bank of Baroda, and Axis Bank for education loans up to ₹20 lakhs for UG and ₹40 lakhs for PG programmes. The bank representative visits the campus on the first Friday of every month. Contact fees@greenwooduniversity.edu.in for details.

## C. Courses & Academics

**Q1. How is the attendance policy?**

**Ans:** A minimum of 75% attendance is mandatory in each subject per semester to be eligible for end-semester examinations. Students with 65–74% attendance may apply for condonation on medical/genuine grounds with supporting documents. Below 65% means the student is not allowed to appear in exams for that subject.

**Q2. What is the grading system?**

**Ans:** The university follows a 10-point CGPA system: O (Outstanding) = 10, A+ = 9, A = 8, B+ = 7, B = 6, C = 5, D (Pass) = 4, F (Fail) = 0. A student must maintain a minimum CGPA of 5.0 to continue in the programme. CGPA below 5.0 for two consecutive semesters leads to academic probation.

**Q3. Can I change my branch after the first year?**

**Ans:** Yes, branch change is allowed after the first year based on academic performance. The branch change committee meets in July each year. You need a CGPA of 8.5 or above in the first year and no backlog to be eligible. Seats are limited and allotted based on merit.

**Q4. Are there exchange programmes or study abroad options?**

**Ans:** Yes. The university has MoUs with 15 international universities including the University of Queensland (Australia), TU Munich (Germany), and NTU Singapore. Exchange programmes for one or two semesters are available for students with CGPA 8.0+. Scholarships are available for exchange students through the MHRD Global Initiative scheme.

## D. Hostel & Campus Life

**Q1. Is hostel accommodation guaranteed for all students?**

**Ans:** Hostel seats are available for all first-year outstation students on a priority basis. Local students (within 30 km) may be allotted seats if available after catering to outstation students. Day scholars are not allotted hostel rooms. Apply through the hostel portal during admission.

**Q2. Are girls' and boys' hostels on the same campus?**

**Ans:** Yes, both hostels are on campus but in separate zones with independent entry/exit points, security, and wardens. The girls' hostel zone has additional biometric access control and women security personnel.

**Q3. What sports and extracurricular activities are available?**

**Ans:** The campus has a full sports complex with cricket ground, football field, basketball and volleyball courts, badminton courts, table tennis, and a swimming pool. Annual Sports Fest 'Olympia' is held every February. Over 40 clubs operate including coding club (DevNest), robotics club (RoboGW), music club, drama society, NSS, NCC, and a student startup cell.

**Q4. Is there a medical facility on campus?**

**Ans:** Yes. The university health centre is open 24×7 with a qualified doctor available during the day (8 AM – 8 PM) and a medical officer on call at night. An ambulance is available for emergencies. For specialist consultation, the university has a tie-up with Greenwood City Hospital, 2 km from campus.

## **E. Placements & Career**

---

**Q1. What is the placement record of the university?**

**Ans:** For the 2024 graduating batch: 96% of eligible students were placed. Average CTC: ■7.2 LPA. Highest CTC: ■42 LPA (Google). Top recruiters include TCS, Infosys, Wipro, Capgemini, Deloitte, Amazon, Accenture, Cognizant, L&T; Technology, and HCL. For MBA, average CTC was ■9.8 LPA with top placement at ■28 LPA (HSBC).

**Q2. Does the university provide internship assistance?**

**Ans:** Yes. The Training & Placement Cell facilitates internships starting from the 2nd year. All B.Tech students are required to complete a 6-week internship between 3rd and 4th year (mandatory credit). The cell organizes an Internship Mela every November with 100+ companies participating.

**Q3. Are there any entrepreneurship support programmes?**

**Ans:** Yes. The GU Startup Incubator (GUSI) supports student startups with seed funding (up to ■5 lakhs), mentorship, co-working space, and legal support. Currently 28 startups are active. The annual hackathon 'HackGW' attracts 500+ participants.

Institute of Excellence in Science, Technology & Management

## ELIGIBILITY CRITERIA – ALL PROGRAMMES

Academic Year 2025–26

### 1. Undergraduate Engineering (B.Tech)

Candidates seeking admission to B.Tech programmes must have passed the 10+2 (Class XII) examination from a recognized Central / State Board with Physics and Mathematics as compulsory subjects along with one of the following: Chemistry / Computer Science / Biology / Biotechnology / Electronics.

| Branch                | Min. Academic %                | Entrance Exam                 | Age Criteria              |
|-----------------------|--------------------------------|-------------------------------|---------------------------|
| B.Tech – CSE / IT     | 60% aggregate (PCM)            | JEE Main / State CET / GU-CET | No age limit (min 17 yrs) |
| B.Tech – AI & ML      | 65% aggregate (PCM)            | JEE Main / State CET / GU-CET | No age limit (min 17 yrs) |
| B.Tech – Data Science | 65% aggregate (PCM)            | JEE Main / State CET / GU-CET | No age limit (min 17 yrs) |
| B.Tech – ECE          | 60% aggregate (PCM)            | JEE Main / State CET / GU-CET | No age limit (min 17 yrs) |
| B.Tech – ME / CE      | 60% aggregate (PCM)            | JEE Main / State CET / GU-CET | No age limit (min 17 yrs) |
| B.Tech Lateral Entry  | 60% in 3-yr Diploma (relevant) | Diploma Merit / LEET          | No age limit              |

### 2. Undergraduate Management & Science

| Programme          | Required Stream | Min %         | Selection      | NRI Quota |
|--------------------|-----------------|---------------|----------------|-----------|
| BBA                | 10+2 Any Stream | 55% aggregate | GU-MAT / Merit | —         |
| BCA                | 10+2 with Maths | 55% aggregate | GU-CET / Merit | —         |
| B.Sc – Physics     | 10+2 PCM        | 50% aggregate | Merit-based    | —         |
| B.Sc – Chemistry   | 10+2 PCM/PCB    | 50% aggregate | Merit-based    | —         |
| B.Sc – Mathematics | 10+2 PCM        | 50% aggregate | Merit-based    | —         |

| Programme                      | Required Stream   | Min %         | Selection   | NRI Quota |
|--------------------------------|-------------------|---------------|-------------|-----------|
| B.Com (Hons)                   | 10+2 Commerce/Any | 55% aggregate | Merit-based | —         |
| B.A. (English Lit / Economics) | 10+2 Any Stream   | 50% aggregate | Merit-based | —         |

### 3. Postgraduate Programmes

| Programme                  | Qualifying Degree            | Min % | Entrance                  | Process               |
|----------------------------|------------------------------|-------|---------------------------|-----------------------|
| MBA                        | Bachelor's in any discipline | 50%   | CAT / MAT / CMAT / GU-MAT | Group Discussion + PI |
| M.Tech – CSE               | B.Tech/BE – CSE/IT/ECE       | 60%   | GATE (CS/IT) / GU-PGET    | —                     |
| M.Tech – VLSI              | B.Tech/BE – ECE/EEE          | 60%   | GATE (EC) / GU-PGET       | —                     |
| M.Tech – Power             | B.Tech/BE – EEE/ME           | 60%   | GATE (EE/ME) / GU-PGET    | —                     |
| MCA                        | BCA / B.Sc CS / B.Sc IT      | 55%   | State PG CET / GU-CET     | —                     |
| M.Sc – Physics/ Chem/Maths | B.Sc (relevant subject)      | 55%   | Merit / GU-PGET           | —                     |

### 4. Ph.D Programmes

Candidates with a Master's degree in the relevant discipline with a minimum of 55% marks (50% for SC/ST/OBC-NCL/PwD) are eligible to apply for Ph.D admission. Valid UGC-NET / UGC-JRF / GATE / CSIR-NET / SLET score is required. University fellows (receiving fellowship) are exempt from this requirement if selected through the university entrance test (GU-RET).

Ph.D seats are offered in: Computer Science, Electronics, Mechanical Engineering, Civil Engineering, Physics, Chemistry, Mathematics, Management, English, and Economics.

### 5. Category-wise Seat Reservation

| Category                          | Reservation %      | Applicable Programmes | Relaxation in Min. %   |
|-----------------------------------|--------------------|-----------------------|------------------------|
| Scheduled Caste (SC)              | 15%                | All UG & PG           | 5% in qualifying marks |
| Scheduled Tribe (ST)              | 7.5%               | All UG & PG           | 5% in qualifying marks |
| Other Backward Classes (OBC-NCL)  | 27%                | All UG & PG           | No relaxation in marks |
| EWS (Economically Weaker Section) | 10%                | All UG & PG           | No relaxation in marks |
| PwD (Persons with Disabilities)   | 5% (horizontal)    | All programmes        | 5% in qualifying marks |
| Defence / Ex-Servicemen Wardens   | 3% (horizontal)    | All UG                | 2% in qualifying marks |
| NRI / PIO / OCI                   | 5% (supernumerary) | B.Tech / MBA          | Per AICTE norms        |

## PLACEMENT & INTERNSHIP REPORT

Batch 2024 | Training & Placement Cell

### 1. Overall Placement Statistics – Batch 2024

|                             |                                          |
|-----------------------------|------------------------------------------|
| Total Eligible Students     | 1,842                                    |
| Total Students Placed       | 1,768 (96%)                              |
| Average CTC (Overall)       | ■7.2 LPA                                 |
| Median CTC (Overall)        | ■6.4 LPA                                 |
| Highest CTC                 | ■42 LPA (Google – CSE)                   |
| No. of Recruiting Companies | 312                                      |
| International Placements    | 14 students (USA, UK, Canada, Singapore) |
| MBA Average CTC             | ■9.8 LPA                                 |
| MBA Highest CTC             | ■28 LPA (HSBC)                           |

### 2. Branch-wise Placement Summary

| Branch/Programme      | Eligible | Placed | % Placed | Avg CTC   | Highest CTC |
|-----------------------|----------|--------|----------|-----------|-------------|
| B.Tech – CSE          | 248      | 246    | 99.2%    | ■10.4 LPA | ■42 LPA     |
| B.Tech – AI & ML      | 58       | 57     | 98.3%    | ■11.2 LPA | ■38 LPA     |
| B.Tech – Data Science | 58       | 56     | 96.6%    | ■10.8 LPA | ■34 LPA     |
| B.Tech – IT           | 120      | 118    | 98.3%    | ■8.6 LPA  | ■28 LPA     |
| B.Tech – ECE          | 120      | 114    | 95.0%    | ■7.4 LPA  | ■24 LPA     |
| B.Tech – ME           | 120      | 108    | 90.0%    | ■5.8 LPA  | ■18 LPA     |
| B.Tech – CE           | 120      | 105    | 87.5%    | ■5.5 LPA  | ■15 LPA     |
| BBA                   | 108      | 98     | 90.7%    | ■4.8 LPA  | ■12 LPA     |
| BCA                   | 58       | 54     | 93.1%    | ■5.2 LPA  | ■14 LPA     |
| MBA                   | 116      | 110    | 94.8%    | ■9.8 LPA  | ■28 LPA     |
| MCA                   | 58       | 55     | 94.8%    | ■7.6 LPA  | ■22 LPA     |

### 3. Top Recruiters 2024

**Tier-1 Companies (CTC > ₹15 LPA):**

Google, Microsoft, Amazon, Adobe, Salesforce, Oracle, Goldman Sachs, DE Shaw, Nutanix, Uber

**Tier-2 Companies (CTC ₹8–15 LPA):**

TCS Digital, Infosys SP, Wipro Elite, HCL Tech, Capgemini, Accenture Advanced, IBM, SAP Labs, Cisco, Qualcomm

**Tier-3 Companies (CTC ₹4–8 LPA):**

TCS, Infosys, Wipro, Tech Mahindra, Cognizant, L&T; Technology, Hexaware, Mphasis, Persistent, Cyient

**Core Engg. Firms:**

L&T; Construction, Bosch, BHEL, ONGC, ISRO (internship-to-hire), Tata Motors, Mahindra, Bajaj Auto

**Management / Consulting:**

KPMG, Deloitte, EY, PwC, McKinsey & Co. (Research Analyst), Bain & Company, BCG Knowledge Analyst

## 4. Internship Programme

All B.Tech and MBA students are required to complete a mandatory internship. The Training & Placement Cell facilitates paid internships at partner companies. B.Tech students undertake a 6-week summer internship (between 3rd & 4th year, worth 2 credits). MBA students do a 10-week summer internship (between 1st & 2nd year, worth 6 credits).

| Academic Year | Students Placed (Internship) | Average Stipend | PPO Conversion                      |
|---------------|------------------------------|-----------------|-------------------------------------|
| 2023–24       | 1,540                        | ₹18,500/month   | 34% (internship to full-time offer) |
| 2022–23       | 1,420                        | ₹16,200/month   | 29%                                 |
| 2021–22       | 1,280                        | ₹14,800/month   | 25%                                 |

Institute of Excellence in Science, Technology & Management

## COURSE CURRICULUM OVERVIEW

B.Tech CSE & MBA | Academic Year 2025–26

### B.Tech – Computer Science Engineering (4 Years / 8 Semesters)

The B.Tech CSE curriculum is designed as per the NEP 2020 framework and is aligned with ACM/IEEE Computer Science Curricula guidelines. The programme is structured with a strong foundation in mathematics and programming, followed by specialization tracks in the 3rd and 4th years. Total Credits: 160.

#### Semester I

| Code   | Subject                     | Credits   |
|--------|-----------------------------|-----------|
| CS101  | Engineering Mathematics – I | 4 Credits |
| CS102  | Programming in C            | 4 Credits |
| PH101  | Engineering Physics         | 3 Credits |
| CH101  | Engineering Chemistry       | 3 Credits |
| ME101  | Engineering Graphics        | 2 Credits |
| CS101L | Programming Lab (C)         | 2 Credits |
| PH101L | Physics Lab                 | 1 Credit  |
| HS101  | Communication Skills        | 2 Credits |

#### Semester II

| Code   | Subject                            | Credits   |
|--------|------------------------------------|-----------|
| CS201  | Engineering Mathematics – II       | 4 Credits |
| CS202  | Object-Oriented Programming (Java) | 4 Credits |
| CS203  | Digital Logic Design               | 3 Credits |
| CS204  | Discrete Mathematics               | 3 Credits |
| CS202L | Java Programming Lab               | 2 Credits |
| CS203L | Digital Logic Lab                  | 1 Credit  |
| EC201  | Basic Electronics                  | 3 Credits |
| HS201  | Professional Ethics & Constitution | 2 Credits |

#### Semester III

| Code  | Subject                              | Credits   |
|-------|--------------------------------------|-----------|
| CS301 | Data Structures & Algorithms         | 4 Credits |
| CS302 | Computer Organization & Architecture | 4 Credits |

|        |                             |           |
|--------|-----------------------------|-----------|
| CS303  | Database Management Systems | 4 Credits |
| CS304  | Probability & Statistics    | 3 Credits |
| CS301L | DSA Lab                     | 2 Credits |
| CS303L | DBMS Lab                    | 2 Credits |
| HS301  | Indian Knowledge System     | 2 Credits |

## Semester IV

| Code   | Subject                         | Credits   |
|--------|---------------------------------|-----------|
| CS401  | Operating Systems               | 4 Credits |
| CS402  | Computer Networks               | 4 Credits |
| CS403  | Theory of Computation           | 3 Credits |
| CS404  | Design & Analysis of Algorithms | 4 Credits |
| CS401L | OS Lab                          | 2 Credits |
| CS402L | Networks Lab                    | 2 Credits |
| CS405  | Mini Project – I                | 2 Credits |

## Semester V (Specialization Electives Begin)

| Code   | Subject                                          | Credits   |
|--------|--------------------------------------------------|-----------|
| CS501  | Artificial Intelligence                          | 4 Credits |
| CS502  | Software Engineering                             | 3 Credits |
| CS503  | Machine Learning                                 | 4 Credits |
| CS504E | Elective I (Cloud / IoT / Cybersecurity)         | 3 Credits |
| CS505E | Elective II (NLP / Computer Vision / Blockchain) | 3 Credits |
| CS501L | AI & ML Lab                                      | 2 Credits |
| CS506  | Mini Project – II                                | 3 Credits |

## Semester VI

| Code   | Subject                                           | Credits   |
|--------|---------------------------------------------------|-----------|
| CS601  | Deep Learning                                     | 4 Credits |
| CS602  | Big Data Analytics                                | 3 Credits |
| CS603  | Compiler Design                                   | 3 Credits |
| CS604E | Elective III (DevOps / AR-VR / Quantum Computing) | 3 Credits |
| CS601L | Deep Learning Lab                                 | 2 Credits |
| CS605  | Industrial Internship (6 weeks)                   | 2 Credits |
| CS606  | Research Methodology                              | 2 Credits |

## Semester VII

| Code   | Subject                                              | Credits   |
|--------|------------------------------------------------------|-----------|
| CS701E | Elective IV (Advanced AI / FinTech / Edge Computing) | 3 Credits |
| CS702E | Elective V (Open)                                    | 3 Credits |

|       |                                        |           |
|-------|----------------------------------------|-----------|
| CS703 | Entrepreneurship & Start-up Management | 2 Credits |
| CS704 | Major Project – Phase I                | 6 Credits |
| HS701 | Environmental Science                  | 2 Credits |

## Semester VIII

| Code   | Subject                            | Credits    |
|--------|------------------------------------|------------|
| CS801  | Major Project – Phase II & Viva    | 10 Credits |
| CS802  | Seminar & Technical Paper Writing  | 2 Credits  |
| CS803E | Elective VI (Open / MOOC Credited) | 3 Credits  |
| HS801  | Management for Engineers           | 2 Credits  |

## MBA – Master of Business Administration (2 Years / 4 Semesters)

The MBA programme follows the AICTE model curriculum with specializations in Marketing, Finance, Human Resources, Operations, and Business Analytics. Total Credits: 120. Industry mentorship and live project components are embedded throughout the programme.

### MBA Semester I – Foundation

| Code   | Subject                         | Credits   |
|--------|---------------------------------|-----------|
| MBA101 | Principles of Management        | 3 Credits |
| MBA102 | Managerial Economics            | 3 Credits |

# GREENWOOD UNIVERSITY

Institute of Excellence in Science, Technology & Management

## TRANSPORT & CAMPUS FACILITIES GUIDE

Day Scholars & Hostellers

### 1. University Bus Service

The university operates a fleet of 42 air-conditioned buses covering 28 routes across Pune and the Pimpri-Chinchwad Municipal Corporation (PCMC) area. All buses are GPS-tracked and tracked in real-time on the GU Bus Tracker mobile application (available on Android & iOS).

| Route No. | Route Name             | Key Stops                                         | Annual Pass (INR) | Frequency    |
|-----------|------------------------|---------------------------------------------------|-------------------|--------------|
| R-01      | Shivajinagar – GU      | FC Road → Deccan → Swargate → GU                  | 18,000            | Every 30 min |
| R-02      | Hinjewadi IT Park – GU | Hinjewadi Ph3 → Ph2 → Ph1 → Wakad → GU            | 16,000            | Every 30 min |
| R-03      | Kothrud – GU           | Karve Nagar → Kothrud Depot → Chandani Chowk → GU | 15,000            | Every 45 min |
| R-04      | Hadapsar – GU          | Fatimanagar → Wanowrie → Undri → GU               | 17,000            | Every 45 min |
| R-05      | Pimpri – GU            | Pimpri Station → Chinchwad → Akurdi → GU          | 15,500            | Every 30 min |
| R-06      | Katraj – GU            | Katraj → Kondhwa → NIBM Road → GU                 | 16,500            | Every 60 min |
| R-07      | Viman Nagar – GU       | Airport → Kalyani Nagar → Kharadi → GU            | 17,500            | Every 45 min |
| R-08      | Talegaon – GU          | Talegaon Station → Dehu Road → Pimpri → GU        | 14,000            | Every 60 min |

Bus pass is valid for the full academic year. Monthly passes are available at 10% premium. Pass is non-transferable. Lost passes replaced for ₹200.
